

# Folding Flower

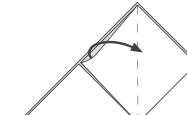

1  
Open the napkin and fold it to a triangle.

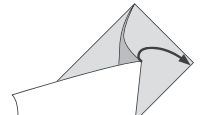

2  
The creases now form a square in the middle. Fold the upper layer of the right corner onto the opposite corner.

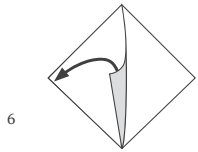

3  
The folding now looks like this.

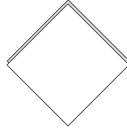

4  
Now fold the flap at the left corner back to the right side.

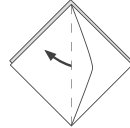

5  
Repeat this fold with the left side of the square.

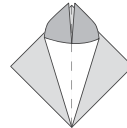

6  
Fold the flap at the right corner back to the left side.

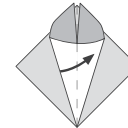

7  
You get a square with several interlaced layers.

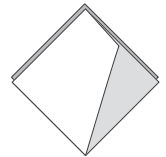

8  
Lift the top layer on the right side.

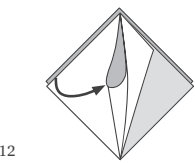

9  
Put the open layer to the centre and press it down.

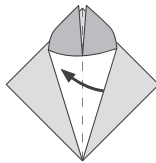

10  
Fold the left side of the pocket back to the right.

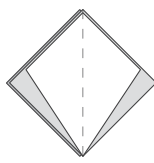

11  
The folding now looks like this.

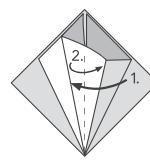

12  
Now lift the top layer of the left side to the centre and press it down.

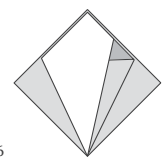

13  
Fold the right side of the pocket back to the left.

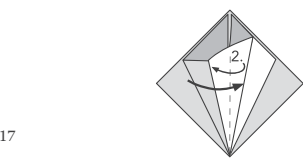

14  
The folding now looks like this.

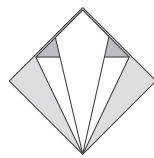

15  
Lift the right flap and press it down on the centreline. Then fold the pocket from the left side back to the right side.

16  
The folding now looks like this.

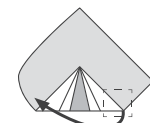

17  
Lift the left flap and press it down on the centre line. Then fold the pocket from the right side back to the left side.

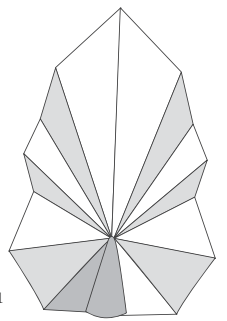

18  
The folding now looks like this.

19  
Turn the folding over and fold the bottom corner upwards.

20  
Put the right corner (dotted area) in the pocket at the left side.

21  
The arrangement is now finished.
